## Job Description - Principal purpose of job (role summary)

As Adur Homes Building Surveyor you will support the Asset Manager and Compliance Manager to provide professional and technical building surveying services within Adur Homes.

You will deliver a range of refurbishment, maintenance and investment projects/works from initial feasibility through to completion, including the preparation of specifications/tender documents, procurement and the post contract administration role across Adur Homes housing assets. You will be involved in the identification and diagnosis of building failures and implementation of remedial works. You will check payments on a monthly basis and issue payment certificates to contractors where appropriate.

You will liaise with tenants and all other concerned parties to ensure that all necessary building repairs/improvements requests are met.

Manage the performance of skilled contractors working across a range of disciplines raising issues and resolving problems that may arise through the term of the contracts and ensure that all aspects of their performance is of a good standard.

Your manager will empower you to apply our principles - resilience, adaptability and participation - to your working practices.

## Expectations of post holder

Willingness to embrace change and ability to adapt to new ways of working

Enthusiasm for working across teams in collaboration and partnership in order to help deliver Our Plan

Act with honesty and openness, and be brave enough to contribute your ideas and get involved

Bring your passion for delivering a high quality service for our residents to your role

Engage proactively in your performance and development conversations, and embrace opportunities to learn and grow

Live how we work with each other and our customers:

- We listen
- We say what we think & do what we say
- We are inclusive & kind
- We are ambitious
- We think & act beyond ourselves and our service
- We are a team

Promote the service and Councils positively at all times

## Role specific Duties and responsibilities

Managing a wide variety of building refurbishment and investment projects with key duties including; preparation of the project brief, preparing feasibility and budget costs, assessing the

need for and arranging for specialist advice and investigations, preparation of risk registers, specification and contract/tender documentation/employers requirements, inviting and evaluating received tenders, preparing and issuing orders or formal contracts for signature and managing the project post contract through to completion
To inspect repair, maintenance and void requests for any asset in order to determine work to be carried out by contractors or the direct service unit, either through the schedule of rates or by obtaining quotations/tenders, including photographic evidence
To undertake surveys to establish, record or monitor the condition of building elements or materials (including asbestos) used in the Council's property portfolio and to update relevant files and databases, including the Council's asbestos register, in accordance with current legislation and Council policy. To access and use stored files or data to ensure the efficient discharge of the Council's repairing obligation and programming of future repairs and maintenance
To raise orders for repair, maintenance and voids work, using Adur Homes repairs system.
To provide specifications and advice for any necessary repairs and maintenance to any property owned or leased by Adur District Council (ADC).
Provide advice on the appropriate form of contracts to be used, manage the tendering process using the e-tendering portal or appropriate consortium, provide advice on the selection of tenderers including the use of specialist frameworks.
Ensure compliance with the Council's Contract Procedure Rules and Project Management Framework.
Efficiently and effectively undertake contract administration and or project management duties for allocated projects post contract including chairing contract meetings, supervising the works, issuing contract instructions, valuing works and issuing interim/final payment certificates, issuing practical completion certificates, negotiating and agreeing final accounts, assessing extension of time claims and resolving contractual disputes etc.
Prepare robust budget costs with the use of industry recognised documents, produce feasibility reports, pre-tender estimates and pre and post contract cost reports through to final account.
Prepare technical specifications, briefs and contract documents for the appointment of external consultants and continually manage their performance to ensure projects are delivered on time and within budget.
Liaise with and manage the use of internal support services/colleagues, provide advice and guidance to fellow and junior team members to ensure efficient and effective use of their time.
Ensure that all documentation and duties undertaken fully adhere to Contract terms and financial regulation requirements and can be fully audited at any point during and after project completion.
Incorporate sustainability and carbon reduction initiatives as an essential part of all projects. Provide advice relating to energy efficiency and renewable energy schemes on Council property.
To have a good knowledge and understanding of the requirements and responsibilities under The Control of Asbestos Regulations 2012 and the Council's Asbestos Policy and ensure these are strictly adhered to in relation to all aspects of project delivery and personal, staff, tenant and public safety.
To have a working knowledge of the requirements of Section 20 of the Housing Act and where a project has qualifying works requiring consultation, to liaise with the Leasehold team and provide sufficient supporting information to ensure compliance under the Act.

Where required, liaise with residents who are undergoing works to their home, dealing with their needs and concerns in a sensitive and professional manner at all times. Explain technical plans and specifications to a non-technical audience
To participate in the operation of a duty rota and out of hours rota systems for the effective operation of the service and to cover for absent colleagues.
To undertake the Council's training and management programme and keep all records up to date. Undertake regular Continued Professional Development to ensure good quality advice is provided to clients and to maintain the membership obligations of any professional body
Undertake such other duties as may reasonably be allocated to the postholder, which may involve providing assistance in any section of the department as may be required from time to time
Undertake all duties in accordance with Council policies, the Code of Conduct for Officers, and in particular policies relating to Customer Care and Equal Opportunities
Undertake any duties regarding health, safety and welfare at work, civil contingencies and business continuity which may reasonably be allocated to the postholder as a result of legislation, codes of practice or Council policies

As the post holder, you will be required to undertake such other duties as may be required within your grade and competence, and therefore the list of duties in this job description should not be regarded as exclusive or exhaustive.

Duties will be set out in this job description but please note that the Council reserves the right to update the job description, from time to time, to reflect changes in, or to, the role. The post holder will be consulted about any proposed changes. Significant permanent changes in duties and responsibilities will require agreed revisions to be made to this job description.

Adur & Worthing Councils recognise the need to ensure the welfare of children and vulnerable adults when they come into contact with services provided by the Councils. Employees, volunteers and Elected Members have regular contact with the general public during the course of their work and are in a position to observe signs which might indicate that a person is at risk of harm and abuse. If signs, which cause concern, are observed, all employees (temporary and permanent), volunteers and Elected Members have a duty to report allegations, disclosures and suspicions of abuse or neglect in line with the Councils' [Safeguarding Policy](#).
